

*Designed to look timeless.
Engineered to last forever.*

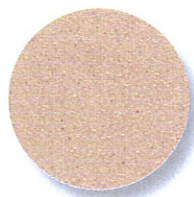

A sink that looks as good as it performs.

Crafted to uncompromising standards by German engineers, Q sinks set the standard for quality and durability. Made from natural granite, quartz and premium acrylic resins, Q sinks are undeniably elegant yet extraordinarily tough. Combining the best from the natural and man-made worlds produces a sink that is scratch, chip and heat resistant in excess of 530° F.

Available in four designer colors for every decor:

{cotton}

{sand}

{mocha}

{midnight}

With uniform color throughout, your Q sink will never fade. Its non-porous surface prevents bacteria buildup, making it completely hygienic in the most important room in your home.... your kitchen.

Choosing the perfect sink for your kitchen is simple, with a choice of 3 classic undermount designs available in 4 timeless and trendy color options.

Combining a Q quartz sink with your granite, engineered stone or solid surface countertop will complete your quest for the ultimate in durability, luxury and style.
