Warranty

Levi Sink Co. offers a 5 year warranty against manufacturer's defect under normal use. LSC will replace the questionable sink, without charge, with that of an equal or lesser value sink. Purchaser must show proof of purchase. Sink must have been used and cleaned in a residential manner as directed and sink must not have been damaged due to neglect or misuse. LSC may or may not inspect the questionable sink before replacement is made. Improper installation, improper use, and improper maintenance excludes LSC from liability. Transportation and labor costs, if any, are excluded from the warranty. See [Maintenance Instructions](#) for further details.
